gift	kindness	supportive	
give	membership	teach	

The stones used at the Community Works conference were black river rocks from Panacea Products Corp, Columbus, Ohio, about \$2.50 for a bag of 20-30 rocks.

The indelible gold writing was done using fine line Deco-Color and Pen-Touch pens for about \$5.00 each. Both the river rocks and the pens can be found at craft stores such as Michael's and Joanne's Fabrics.
