Networking Rocks!

Please sit in the “balloon” area matching the color of your bag.
Sit with people you don’t know.

Please open the bag. Share with the people sitting around you why your rocks are important to you and your organization.
If the word on your rock doesn’t apply to you, please feel free to trade.

This is an opportunity –

- To meet people you don’t know
- To find out about other organizations
- To share resources
- To help make community work

Have fun!

You Rock!

change the world but
I can cast a stone
across the waters
to create many
ripples*

*We create a
ripple effect
by what we
do and who
we are*

*We need to
be aware of
our
different
impacts*

*The smallest
act can
make a
difference*

*One positive
act brings
forward
motion*

Bold leaps create momentum

*Volunteers
make the
time and
have
the heart*

*We may
never truly
know the
reach of
an act of
kindness
or the mark
that it
leaves on
a life*

Topaz

*Words on
our rocks
create
overlapping
connections*

*Each of
us has a
greater
impact
than we
know*
